ENGINEERED BY TENNANT COMPANY

ORBITAL SCRUBBING

Speed Scrub[®] Orbital Scrubber and Speed-SQ 14 Orbital Floor Machine

- Speed Scrub Orbital scrubs effectively with orbital motion and ec-H2O[™] technology
- Reach tight and confined areas easily with compact designs
- User-friendly designs for improved operator experience

Built to be **tough.**
Made to be **easy.**

Chemical-Free Floor Finish Removal

Orbital Scrubbing

- Rectangular scrub head reaches into corners and hard-to-reach areas easily for even floor finish removal across the entire cleaning path.
- Chemical-free floor finish removal alternative for VCT floors with the quality and reliability you expect from Nobles.

Speed Scrub® Orbital Scrubber

- With more down pressure, removes acrylic floor finish better than the leading competitor.
- Power and performance without the risks of chemicals.

Speed-SQ 14 Orbital Floor Machine

- Great for compact spaces.
- Two standard weight sets included at 48 lbs / 22 kg. Optional set available, adding an additional 24 lbs / 11 kg.
- Isolators reduce vibrations to the operator's hands, making operator comfort a priority.

Tennant Company Orbital Scrubbing is the smart, reliable choice for your no-nonsense cleaning needs.
