## Three-Speed Air Mover

Features		Specifications	
Product Name		Three-speed Air Mover	
Product Number		9001029	
Blower System			
Blower Motor Horsepower:		0.5 hp	
Blower Motor Amps:		4.8 Amps at highest speed	
Blower Motor Switch:		Rotary	
Blower Motor Volts:		115 volts / 60 Hz	
Blower Motor Speeds:		3-speed	
Air Movement (CFM for three speeds):		1950 / 2250 / 2500	
Chassis/Body Construction			
Chassis Construction:		Rotationally-molded polyethylene	
Metal Parts Coating:		Epoxy powder coated, acrylic paint or nickel/zinc plated	
Features			
		Stackable 3-Position Kickstand	
Dimensions			
Product Height:		18 in / 45.7 cm (+3 inches additional for handle on top)	
Product Length:		19 in / 48.3 cm	
Product Width:		17 in / 43.2 cm	
Product Weight:		32.8 pounds / 14.9 kg	
Power Cord			
Length		20 feet / 6.1 meters	
Recovery System			
Intake Screen Coating:		Epoxy powder coated	
Warranty		A one-year warranty is extended to the original end user against manufacturing defects and workmanship on non-wear components for these machines. <b>PLEASE CONTACT TENNANT COMPANY FOR MORE INFORMATION</b>
