

AM2400D™

Air Mover

The powerful yet compact AM2400D™ air mover provides the power and versatility to quickly dry floors and circulate air. A 3-speed induction motor with thermal protection delivers up to 2,400 CFM air flow while minimizing energy usage. Four position settings provide flexibility for directing air movement while the built-in power outlet allows for daisy-chaining up to three units for maximum efficiency. The AM2400D, with an optional trolley kit with transport wheels and retractable handle, is lightweight and stackable, making it easy to carry, store and transport. Protected by a strong roto-molded housing, the AM2400D is robust and ready to work.

Simple. Rugged. Affordable.
