

Priza™

Spray extraction cleaner for commercial applications

Perfect size for the job.

- » Powerful, compact spray extraction for smaller areas and upholstery cleaning.
- » Adjustable handle on the floor tool enables a safer grip and ergonomic positioning of the operator.
- » Powerful vacuum motor means little residual moisture is left after cleaning.
- » Carpets dry up to 63% faster than with other products.
- » Removable dirty water tank.
- » Solution tank can be emptied by placing suction tool in clean water tank.

Performance Features

Sturdy couplings ensure a fixed connection and easy change out of accessories. Integrated solution/vacuum hose.

Ideal for smaller spaces such as stairways or vehicles.

Easy two-switch operation.
