

Radius™ Mini

Cordless Electric Sweeper

Flexible and professional interim cleanup.

- » Cordless electric sweeper designed for commercial applications.
- » Powerful, rechargeable nicad battery pack provides for up to 45 minutes of operation on hard surface and 30 minutes on carpet.
- » Extremely quiet operation allows for cleaning even during business hours, making it ideal for use in hotel lobbies, restaurants, bars, and school classrooms.
- » Innovative universal joint with parking position.
- » Large, non-marking wheels with “soft grip.”
- » Rugged bumper for surface protection.
- » Optional high speed battery charger available for complete charging in 50 minutes.
