

Saber™ Glide

Rider Scrubber Series

Built to make the operator more productive.

We listened when you told us how to build the rider scrubber you need. The Saber Glide Series was created to make the people who work with the machine more productive. From the person cleaning floors every day to the person responsible for maintenance, these riders deliver the performance features needed to get the cleaning job done faster.

To help you choose the most productive rider for your facility, the Saber Glide Series is available in three cleaning width choices—28" (71 cm), 32" (81 cm) and variable width 28" to 36" (71 to 91 cm).
