- 10 RokBak™ deck for easy driver access

Featuring an 18 HP 603 cc engine from:

Kawasaki
Engines

RECOMMENDED PRODUCTS

The 430GP diamond polishing system is simple and effective, even for the inexperienced operator.

HardCore hard floor densifier hardens the floor surface and LockOut hard floor protector provides stain and wear defense.

Special abrasives are also available for marble and terrazzo floors.

Amano Pioneer Eclipse produces a wide variety of stripping chemicals that are aggressive and effective even on the toughest build-up.
