**The Pride 2100** strip/buffer, offers two pieces of equipment in one. By simply changing one belt, this amazing floor care machine can buff at 2100 RPM's or strip at 500-700 RPM's. A 360o floating, swivel, spin-on pad driver makes for easy maintenance. Run time is 5 to 6 hours per propane cylinder. Emissions protected by three-way catalytic muffler on Kawasaki Engine.

All machines come standard with strip brush, splash guard, belt tensioner tool, service alert (hour) meter, 360o floating swivel spin-on pad driver, adjustable handle, steel fuel cylinder (UL and DOT approved), and two year warranty.

*Designed and manufactured in the U.S.A.*
