Predator 20E Cord-Electric Scrubber

Item# PAS20E

**Reach confining spaces and cover
large areas with one machine.**

- 20" cleaning path
- 8 gallon capacity
- 2 separate motors for vacuum and brush
- Fast and clean drain hose
- Non-corrosive steel frame
- Bone-dry squeegee system
- Quick pad change

FOR MEDIUM TO LARGE SIZE SCRUBBING JOBS

The perfect size for medium to large size scrubbing jobs, the Predator 20 will clean through 20,000 square feet per hour with a 20 inch cleaning path that fits easily through doorways and into tight spaces. Thick slurry is no match for the 3 stage suction motor that vacuums up the waste much easier than most automatic scrubbers. Maintenance is made simpler with easy access to vacuum motors and tanks.
