

Powr-Flite®

Full-size Extractor

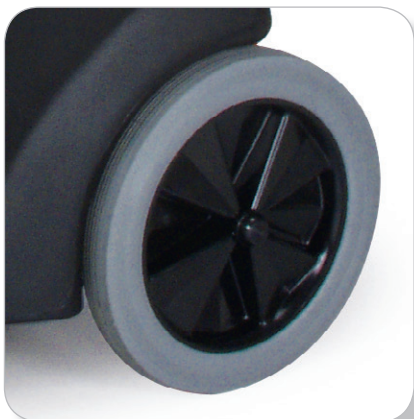

- The perfect combination of performance and portability designed for the carpet care professional
- Full size 13 gallon capacity reduces refill trips and improves productivity
- Rear mounted power switches and recovery tank drain hose for operator convenience
- Durable roto-molded housing provides years of service
- Long-life commercial components provide the highest level of reliability
- High performance vacuum motors remove more water and soil; extending carpet life and improving indoor air quality
- Built in handle, large 12" wheels and handle-mounted transport wheels ease transportation in and out of vehicles and over or around obstacles
- Perfect Heat® models maintain the hottest solution temperatures available in any portable extractor

Handle-mounted transport wheels ease loading and unloading.

All electronic components are independently controlled.

Large 12" rear wheels ease mobility over stairs and curbs.

Clam Shell design provides easy access to mechanical components.

Patented Perfect Heat® system maintains the hottest solution temperatures available in a portable extractor.
