PF50

PF50

The economically priced, full-featured PF50 is the fleet vacuum of choice! You won't see a fully equipped commercial vacuum with this many features, at this price, anywhere else. The PF50 is powerful enough for any commercial job and is built to last with a heavy-duty housing. The PF50 comes with a commercial-grade bag with a paper bag insert, but is also available with an optional commercial shakeout bag kit.

- 5.0 amp motor delivers 65 CFM
- Heavy-duty 12" brush roll
- All-steel 2-piece handle
- Easy to change belt drive
- 30' cord
- 4 position height adjustment system
- Permanent bag with paper bag insert
- Extra-wide furniture guards

PF757EC/VC

PF7575EC/VC

This vacuum has it all! You get full power combined with the Vibra-Flite II agitator and the patented Vibra-Kleen system. With a 16" cleaning path you can clean faster and more productively. The rubber shock absorbers make operation easy and smooth for continuous commercial cleaning. And with true edge cleaning, you don't have to worry about those difficult periphery areas. Choose the high filtration Enviro-Clean paper bag model or the Vacucide treated cloth shakeout bag.

- 7.0 amp motor delivers 75 CFM
- 16" metal brush roll assembly with replaceable brush strips
- 6 position carpet height adjustment
- 50' cord
- Clear fan cover chamber
- True edge cleaning
- Uses standard Sanitaire replacement parts

PF70DC

PF70DC

No more over-filled bags! With the Powr-Flite dirt cup model vacuum, the operator sees the debris as it is picked up. Hardworking and durable, the PF70DC features replaceable brush strips and ball bearings for easy maintenance. The constant vacuum lift from the Vibra-Flite II agitator provides the power you need for heavy cleaning.

- 6.5 amp motor delivers 75 CFM
- Metal brush roll with replaceable brush strips
- 6 position height adjustment
- 50' cord
- Steel handle
- Heavy-duty low profile housing
- Wide furniture guards

PF70EC

PF70EC

With all of the features of the PF70DC, these models give you the option of high filtration Enviro-Clean paper bag or Vacucide treated cloth shake-out bag. The PF70EC and VC models provide heavy-duty vacuuming power with the added benefit of increased agitation of the Vibra-Flite II agitator. The Vibra-Kleen cloth bag is a commercial cloth bag which houses a vibrating sleeve that eliminates clogged bags and overheated motors. Choose the high filtration Enviro-Clean paper bag model or the Vacucide treated cloth shakeout bag.

- 6.5 amp motor delivers 75 CFM
- Metal brush roll with replaceable brush strips
- 6 position height adjustment
- 50' cord
- Steel handle
- Heavy-duty low profile housing

When you have a lot of carpet to clean, Powr-Flite's fully equipped line of commercial upright vacuums provide power and performance at prices you won't believe. Built durable with interchangeable parts and accessories, Powr-Flite vacuums are the choice for contractors, hotels and building maintenance professionals.

Quick release fan chamber makes service and clean-up easy.
