## 3610 Vacuum/Sweeper

<b>Features</b>	<b>Specifications</b>
<b>Product Name / Part Number</b>	<b>Model 3610 / 614214</b>
<b>Productivity</b> Theoretical Maximum: Estimated Actual:	18,000 sq. ft. (1672 sq. m.) 9,000 sq. ft. (836 sq. m.)
<b>Brush Drive System</b> Brush Design Description: Cleaning Path Main Sweeping Broom Length: Side Broom Description: Main Broom RPM: Side Broom RPM: Main Broom Motor Power: Side Broom Motor Power: Sweeping Style	Polypropylene, six row, chevron pattern 24 in / 61 cm 16 in / 41 cm Polypropylene - 8 in / 20.5 cm 560 220 0.21 hp / 155 Watts 0.04 hp / 30 Watts Over throw
<b>Chassis/Body Construction</b> Chassis Construction: Wheel Diameter: Wheels Description:	Injection molded chassis 6.5 in / 16.5 cm Gray, non-marking
<b>Decibel Rating</b> Operators Position Decibel Rating:	61 dBa
<b>Dimensions</b> L x W x H: (Storage – handle folded) L x W x H: (Operation – handle ) Product Weight:	28.75" x 23.75" x 22" (73cm x 60cm x 56cm) 37" x 23.75" x 37.5" (94 cm x 60cm x 95cm) 115 Pounds ( 52 K)
<b>Dirt/Debris Recovery System</b> Filter Description: Filtration level: Hopper Capacity: Blower Motor Power: Air Movement	Pre-filter and Panel filter with 10 square feet surface area 3.0 Micron @99.7% 1.25 cu ft / 9.3 L 0.08 hp / 60 Watts 55 fpm (1.56 mpm)
<b>Battery System</b> Battery Description: Battery Run Time: Charger Description: Power Consumption Amps:	42 Ah - sealed maintenance free 2 hr On-board 12 volt 360 watts, 18 amps
<b>Warranty</b>	A one-year warranty is extended to the original end user against manufacturing defects and workmanship on non-wear components for these machines.
