

# Blower

**Compact, stackable three-speed blower dries areas quickly.**

**Powerful airflow**

Reduce drying time dramatically with this powerful three-speed blower which produces up to 2,500 cfm / 71 m<sup>3</sup> of airflow.

**Reduce storage space**

Convenient, stackable units free up valuable space in closets, storage areas and transport vehicles.

**Multiple position setting**

This unit can be placed in three positions, which allows for optimal directional airflow.

## Key Benefits

- Quickly dry carpet, hard floors, fresh paint, concrete sealer and much more
- Rotationally-molded body ensures durability and many years of reliable use
- Precisely direct air where you need it with three positions available
