SQUEEGEES

- Tennant squeegee blades are offered in different materials with heavy durometers to meet demanding performance needs. Most blades offer four usable edges for long life and low cost-in-use.
- Linatex is our standard blade offered on scrubbers. This material performs well in most industrial applications.
- Urethane is available as an option. This type of blade is excellent on oily or rough surfaces.

PRODUCT DESCRIPTION	SIZE	PART #
Linatex Front Squeegee Blade Assembly (below SN010735)	26-inch	4894
Linatex Front Squeegee Blade Assembly (SN010735 & above)	26-inch	33357
