ENGINEERED BY TENNANT COMPANY

SCOUT™ 28

Wide-area cordless sweeper

- Maneuver smoothly over hard or carpeted floors with variable speed control system
- Easily empty debris and clean the filter with the large pop-out hopper
- Comfortable three-wheel turning system, fingertip controls, and two position adjustable handle

Built to be tough.
Made to be easy.

Quietly, powerfully sweep hard or carpeted surfaces.

Super quiet with excellent dust control

Extremely quiet for noise and dust sensitive environments (68 dBA) the Scout 28 has a filtration system 99.5% efficient at 2 microns.

Extremely efficient

Clean longer - up to 3 hours with one charge - with the 12 V / 105 A battery. Plus, extra wide 28 in / 710 mm cleaning path with side broom and big 1.2 ft³ / 34 L hopper capacity means the job will be done in no time!

Comfortable to use

With the operator-controlled variable speed system, three-wheel turning, fingertip controls, and two position adjustable handle, this sweeper is one of the most comfortable available!

Engineered by Tennant Company, the Scout 28 sweeper is manufactured by the best - making it a reliable choice for your no-nonsense cleaning needs.
