TIDY-VAC® 3

Dry canister vacuum

- 
- A photograph of the Tidy-Vac 3 dry canister vacuum. The unit is tan with a green top section. It has a carrying handle on top, a power switch on the side, and a flexible hose attached to the back. The brand name 'NOBLES' and model 'TIDY-VAC 3' are printed on the green section. To the left, a portion of the silver metal tube and the motor head are visible.
- Trust major components with proven durability in commercial applications
 - Clean comfortably with improved ergonomics and foot-activated on/off switch
 - Anytime, anywhere cleaning on a variety of floor surfaces

Built to be **tough.**
Made to be **easy.**

Effective and Reliable

Reliable Results

68 dBA sound level and optional 3-stage HEPA 12 filtration help maintain Indoor Environmental Quality (IEQ).

Durable Design

Major components have been proven for more than 10 years in commercial applications

Easy to Use

- On-board tool storage and cord wrap make transport and storage easy
- Vacuum wand helps clean hard-to-reach areas and adjusts to fit operator height

Engineered by Tennant Company, the Tidy-Vac® 3 vacuum is the smart, reliable choice for your no-nonsense cleaning needs.
